

25.11.2025 | 10:00-17:00

Auditorium Ministero dell'Ambiente e della Sicurezza Energetica
Roma | Via Capitan Bavastro 174

Final Event Program

09:30-10:00 Registration

10:00-10:15 Opening event - Official Greetings

Video-clip: "Reading the blue" (Scientific video, 10')

10:30 Antonella Arcangeli (ISPRA)
Life CONCEPTU MARIS: logical framework, actors, results and conservation measures

TOPIC: SPECIES (Project aim: Fill knowledge gaps on the spatio-temporal distribution of cetaceans and sea turtles and identify and map critical habitats, ecological corridors, and high-risk areas to support conservation)

10:40 Paola Tepsich (CIMA) - Trend in relative abundance of key species

10:50 Eugenia Pasanisi (ISPRA) - CEPTU important offshore areas (Range and Habitat)

11:00 Elena Valsecchi (Univ. Milano Bicocca) e Natalia Fraija (Univ. of Valencia) - Integrated results of eDNA approach

11:10 Gianluca Sarà e Francesco Paolo Mancuso (Univ. Palermo) - Integrated results on SIA and real-time sensing

11:20-11:50 Round table & Open discussion: insights from AB (scientific community, Networking project, public)
Moderator: Antonella Arcangeli (ISPRA)

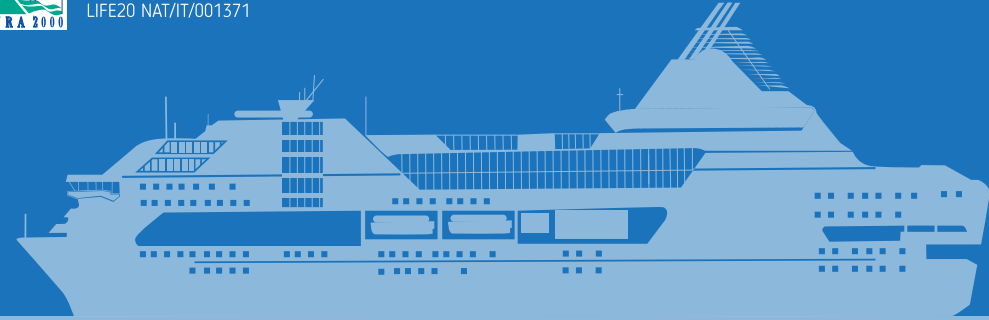

11:50-12:10 COFFE BREAK

Life CONCEPTU MARIS

Un approccio multidisciplinare e multi-attore
per la conservazione di Cetacei
e Tartarughe marine nel Mediterraneo

Credits: foto di SZN (STAZIONE ZOOLOGICA ANTON DOHRN)

25.11.2025 | 10:00-17:00

TOPIC: PRESSURES AND CONSERVATION MEASURES

Project aim: Fill knowledge gaps on the spatio-temporal high-risk areas to support mitigation measures

12:10 Igor Atake (CMCC) - The picture of risk: Modelling the threat of marine litter

12:20 Lea David (EcoOcean Institute) - The picture of the risk: an Index for risk exposure assessment for marine litter e maritime traffic and Near Miss Event

12:30 Paola Tepsich (CIMA) - A panel of conservation measures (maritime traffic)

12:40 Roberto Crosti (ISPRA) - A panel of conservation measure (marine litter)

12:40-13:10 Round table & Open discussion: insights from AB (ferry companies, national/regional/local management), Networking project, public
Moderator: Fulvio Maffucci (SZN)

13:10-14:30 LIGHT LUNCH

TOPIC: PROJECT SUSTAINABILITY

Project Aim: create long-lasting infrastructures ensuring sustainability beyond the project's end - Common Database, Decision Support System, Marine eDNA Bank

14:30 Video-clip: "The information chain"

14:40 Cristian Di Stefano (ISPRA) - Long-Term Data Management: NNB Database

14:50 Alice Madonia (CMCC) - A Tool to Support Decision-Making: The Decision Support System

15:00 Alessia Rota (Univ. Milano Bicocca) - A Forward-Looking Vision: An eDNA Bank for Future Investigations and Climate-Change Studies

Project aim: Engage and train stakeholders, from ferry crews to young researchers and citizen scientists, building capacity and fostering a community of practice

15:10 Francesco Tomasinelli (Triton) - Communication Strategy

15:20 Lara Carosso (CCMPA) - Citizen Science for the Long-Term Sustainability of the Project

15:30 Antonella Servidio (Triton) - Networking as a Powerful Tool for Long-Term Sustainability

Project aim: Develop and promote a cost-effective replication and transferability of methodologies and protocols to other Mediterranean sub-region

15:40 Elena Santini (ISPRA) - Bridging Past and Future for Long-Term Sustainability (FLT Med Net, IMPEL, and the After-Life Plan)

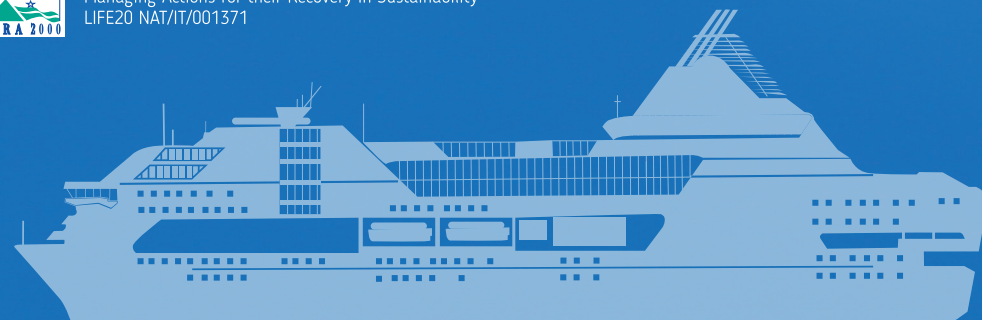

16:00-17:00 CONCLUSIONS, QUESTIONS & NETWORKING

CONservation of CETaceans and Pelagic sea Turtles in Med:
Managing Actions for their Recovery In Sustainability
LIFE20 NAT/IT/001371

26.11.2025 | 17:30-20:15

Roma | Teatro Palladium - Piazza Bartolomeo Romano, 8

Programma (evento divulgativo e di comunicazione)

- 17:30** Apertura al pubblico con visita alla mostra fotografica e alla postazione del libro "In Alto mare" di Elisabetta Mitrovic.
A cura di **Francesco Tomasinelli** (Triton Research)
- 18:00-18:15** Dr. **Luigi Ricci** (Dirigente di Bio-DIR) - Saluti e introduzione
- 18:15-18:30** **Vital Sound: la sinfonia del mare**
Introduzione con video al progetto LIFE Conceptu Maris.
A cura di **Antonella Arcangeli** (ISPRA)
- 18:30-19:00** **La parola ai protagonisti**
Racconti dal progetto: partner, compagnie di navigazione, networking.
A cura dei partner di progetto LIFE Conceptu Maris e ospiti
- 19:00-19:15** **La parola ai protagonisti: i citizen scientists.**
Interviste ai volontari. A cura di **Lara Carosso** (AMPCC), **Elena Santini** (ISPRA) e **Francesco Tomasinelli** (Triton Research)
- 19:15-19:30** **Il racconto della natura.**
Risultati del concorso fotografico e intervista a uno dei vincitori.
Presentazione del libro "In Alto mare" di Elisabetta Mitrovic.
A cura di **Francesco Tomasinelli** (Triton Research)
- 19:30-19:45** **Una storia condivisa:** il futuro di LIFE Conceptu Maris.
A cura di **Antonella Arcangeli** (ISPRA)
- 19:45-20:15** Documentario finale di **Life CONCEPTU MARIS: Senza Confini** (23 minuti)
